Today on 25th November 2019, a visit was organized to the adopted village of Tripura University under the guidance of Mr. Harjeet Nath (Asst. Prof. Chem & Polymer Engg.) and Dr. Rajesh Chatterjee (Asst. Prof., CSSIEP) along with students of Chemical and Polymer Engineering, Microbiology, Pharmacy Botany, etc. to interact with children's and their parents of Vallbhpur JB school which is just near the university back premises. They were asked to share their problems, what they are facing in their everyday life. They shared their problems and the team tried to give some solutions to their problems. A mass program on water storage, water purification, women empowerment was carried out in addition to a demonstration of a portable water purifier designed by Mr. Harjeet Nath.

List of the problems which came up during the discussion process were mainly:

1. Water problems during summer seasons
2. No proper drainage system in the village for proper water passes
3. No dustbin
4. Mosquito issues
5. Skin diseases etc.

Th: A visit to Adopted Village.
