

Ban on use of Plastic

On 05/06/2018 on the occasion of World Environment Day a programme was organised in association with Department of Forestry & Bio Diversity regarding abandoning the use of plastic. A pledge was taken by the members of the University community regarding abandoning use of Plastic in the University Campus. The theme of the programme was “Beat plastic pollution”. In this regard a notification was issued by the Registrar from file No. F.TU/REG/CAMPUS/7/2016 dt. 04/06/2018. (copy enclosed). Volunteers of NSS, Tripura University Unit also took part in the programme. University took initiatives to make the campus plastic free zone. Rally with students, teachers, staffs and officers for removal of plastic from the campus was held in 2019 also as well as Swachha Bharat abhiyan held in the campus.

Subject: Swachhata Hi Seva campaign from 11th September 2019 to 2nd October 2019.

To: <VC@tripurauniv.in>

Dear Sir/Madam,

Greetings From All India Council for Technical Education..!!

The Swachhata Hi Seva campaign has been launched by the Government, commencing from 11th September 2019 to 2nd October 2019. This campaign will have a plastic ban as one of the primaries objectives to address the environmental hazards being created by the continuous use of plastics in the country. Towards achieving this objective through the higher educational institutions, detailed guidelines have been circulated to all institutions. In addition, during the period from September 11 to October 2, 2019, the following measures may be adopted in all institutions:

- (i) Every the student will collect at least 1 kg of plastic from 11th September to 2nd October 2019
- (ii) The institution may make arrangements for storing such collected plastic items until October 2, 2019.
- (iii) All institutions which have adopted villages under Unnat Bharat Abhiyan will ensure plastic-free villages by promoting awareness and encouraging a shift to alternative products by liaisoning with the District Collectors for the same.
- (iv) On 2nd October 2019, the Ministry of Drinking Water & Sanitation would ensure collection of such plastic items through the District Collectors for aggregation/recycling.

Details of activities conducted in respect of the above may be captured in pictures/videos and kept for record.

Regards,
AICTE
