

TONGTHOK MUKUMU

(a sweet memory)

e- News Letter of Tripura University Alumni Association

Vol: 02 Year: 2016

I am very happy to hear that Tripura University Alumni Association (TUAA) is going to publish the second volume of its news letter “Thongrhok Mukumu”, which started its journey in 2015. We aim to keep in regular touch with all of our alumni and friends and want to hear their success stories. The support of alumni towards the development of Tripura University will be vital. Whether as an ambassador, volunteer or donor, alumni can play an important role in helping the University to achieve its potential and helping the students of tomorrow to reach their goals. I am sure Tripura University Alumni Association will work in this direction. This e-news letter will accelerate the initiative. I wish success of this e-news letter.

Prof. A. K. Ghosh
Vice-Chancellor

Tale of a successful alumni

Prof. Amiya Kumar Panda

Vidyasagar University, West Bengal, India

Email: akpanda@mail.vidyasagar.ac.in

Prof. A. K. Panda is an internationally acclaimed researcher working in the area of Surface Science. He earned both his M.Sc. and Ph.D. degree in Chemistry from Tripura University in the year 1992 and 1998. After that he joined as research associate at Jadavpur University. He carried out his postdoctoral research work at Department of Obs. & Gyn., University of Western Ontario, London, Canada as BOYSCAST Fellow (2001-2002). He also worked as Visiting Scientist, Ian Wark Research Institute, University of South Australia (2006); Endeavour Fellow, Govt. of Australia, University of South Australia (2008) and DST-JSPS Short Term Fellow, Tokyo University of Science (2014). Before joining to Vidyasagar University he worked at Behala College and University of North Bengal, west Bengal. Dr Panda has published more than 100 research papers and already guided 10 Ph.D. students. He has carried out several research projects and earned several awards. To name a few of them are - Endeavour Award, Govt. of Australia; BOYSCAST Fellowship; JSPS Fellow; Siksha Ratna Award-2019; Hyogo Overseas Research Network Fellowship etc.

Tripura University Alumni Association invites all of its alumni to please register in the alumni network and work as an ambassador, volunteer or donor and help the University to achieve its highest success and helping the students of tomorrow to reach their goals. Details of the registration process may be found in the university website under membership section: <https://www.tripurauniv.ac.in/Page/Membership>

We shall be happy to hear your success story. For any quarry / news / information etc. please reach by email at tualumni@tripurauniv.in
