Advertisement for the post of Junior Research Fellow (JRF)

Applications are invited for the post of one Junior Research Fellow (JRF) under the project entitled “Environmental Impact of Anthropogenic Activities on Wetland Bio-Diversity of Rudrasagar Lake, The Ramsar Site of Tripura” funded by DBT, Government of India, under the Principal Investigatorship of Dr. Saptarshi Mitra, Assistant Professor, Department of Geography and Disaster Management. The post is purely temporary with a monthly fellowship of Rs.31,000/- + admissible HRA. Applicants having NET/ GATE/ SLET or Similar Qualification of National Level and minimum 55% marks in MA/M.Sc in Geography (with Specialization in Regional Planning/ Environmental Geography/ Geomorphology) or Environmental Science are desirable for the interview. Experience in field work along with survey instruments handling and knowledge of Remote sensing and GIS is highly preferable. Interested candidates are requested to send their complete bio-data in MS word & PDF format (with working email id and phone number) together with scanned colour photograph via email to saptarshimitra@tripurauniv.in within 10 days of the publication of this advertisement. Interview will be held on 23rd February, 2021 at 12.00 noon through online/offline mode.
