NO. TU/FIN(358)/(P)/2018-19

Date: 10/12/2021

Notice Inviting Quotation

Sealed quotations are invited from bonafide manufacturers/dealers/suppliers for the supply of the following electronic components in the UGC sponsored project entitled "*What role do tropical thunderstorms play in driving the upper tropospheric water vapor feedback*" (**ISF-UGC project**) at the '*Earth's Environment and Solar Terrestrial Physics Laboratory*' in Department of Physics, Tripura University, Tripura, India. Quotations complete in all respect must reach to the office of the PI, ISF-UGC Project, Dept. of Physics, Tripura University within 15 days of publication of this NIQ at the address mentioned below.

The list of the electronic components / items is attached as **Annexure-I**.

Terms and Conditions:

1. Delivery: Delivery of goods at corresponding lab at Department of Physics, Tripura University, Suryamaninagar, within 30 (thirty) days from the issuing date of the supply order. If the firm is fails to deliver within the stipulated time, the reason of delay must be informed. The university reserves the right to cancel the order in absence of sufficient reasons for delay after expiry of initial 30 (thirty) days.

2. Payment terms: 100% payment shall be paid against delivery, installation and satisfactory performance of all items. If advance payment is required, this must be mentioned clearly in the quotation.

3. Tripura University reserves the right to choose, accept or reject any / all quotations in full or part at any stage without furnishing any reason.

4. For further details, the supplier may contact to Dr. Anirban Guha, P.I., ISF-UGC Project, Department of Physics, Tripura University (anirbanguha@tripurauniv.ac.in).

5. Quotation in sealed envelopes should be marked as "**Supply of electronic components under ISF-UGC project in Earth's Environment and Solar Terrestrial Physics Laboratory**". The hard copy sealed quotations with all supportive documents must be sent to the following address:
