Studying in DoBM was a great experience for me. Without the support of all the Distinguished Teachers it was impossible for me to follow my future dreams. As for the current and prospective students, I would like to say that believe in you and your professors. Never Give Up☺

### **Ratnadeep Saha**

Class of 2009 (MBA)

Current Status: Entrepreneur

Nature of Business: Rubber Trading and Licensee Lens cart

Place: Agartala

In business: for last 9 years

I have always had a dream of becoming an entrepreneur. DoBM helped me create a strong foundation academically and made my dream come true! The curriculum has been structured systematically. I have been in this entrepreneurship business for last 9 years meeting challenges every day and coping with the same with strong confidence and believe in myself. I will always be thankful to the Department of Management for making me person I am today. A note to the new students in DoBM- Study well and regularly, participate in extracurricular activities, it makes you stronger person and prepares you for the life ahead. Enjoy yourself but work hard, it DOES pay off in the end!

Good luck to everyone.

I always wanted to learn Business Management from outside Tripura. But when I heard about DoBM, I immediately applied for admission. The course curriculum in DoBM is at par with other B-Schools in India. I was highly satisfied with teaching methodology which has boosted my career to a new heights'. I did lot of hard work and it paid off at the end. I would encourage new students willing to give in some effort to join DoBM. I convey my best wishes to everyone.
