About IHEPA:

The Indian Health Economics and Policy Association (IHEPA) is a registered society under the Society's Registration Act, 1960. The office is located at the International Institute for Population Sciences, Mumbai. IHEPA welcomes all those interested in issues relating to health economics and policy to be a part of this association. IHEPA welcomes young scholars and researchers, grassroots practitioners, the private sector and community based organizations to participate actively so that all views and experiences can be heard, debated, understood and absorbed.

About Tripura University:

From a humble beginning as the Post-Graduate Wing of Calcutta University, in 1976, to a state University in 1987 and eventually a Central University in 2007, Tripura University has traversed a long way in its pursuit of excellence as a Higher Education Institution in this tiny landlocked state of Tripura. The University is dedicated in imparting quality education and technological innovations and promoting the enviable heritage of the state's indigenous art forms, folk, oral and multi-dimensional cultural traditions. At present there are forty four Departments and four Centres of Study in the University.
