ABOUT MMTTC, TU

Tripura University established a Faculty Development Centre (FDC-TU) under the scheme of Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT) in December 2014. The FDC-TU recognizes that the inculcation of both academic and professional skills is essential for any employee at the beginning of their career. Without these skills, institutional efficiency and proper work ethics cannot be effectively developed in any establishment.

The Centre has conducted numerous programmes addressing these areas, and the outcome of all previous programmes have been excellent. This centre has been renamed to Malaviya Mission Teacher Training Centre, Tripura University (MMTTC-TU) under the MMTTP of the UGC.

Currently, the Centre is engaged in training faculty of Higher Education Institutions to build competencies in teaching, learning, research and professional development. The objective is to update their knowledge and skills to provide more effective teaching and to align their approach with the societal needs outlined in NEP 2020 within the framework of Indian values and value system.
