About INFLIBNET

The Information and Library Network (INFLIBNET) Centre is an autonomous Inter-University Centre (IUC) of the University Grants Commission (UGC) located in the Infocity, Gandhinagar. Major activities and services of the Centre are geared towards modernization of academic libraries and information centres, promotion of information transfer and access, support scholarship, learning and academic pursuits. The Centre acts as a nodal agency for networking of libraries and information centres in universities, institutions of higher learning and R & D institutions in India. The Centre was established as an independent autonomous Inter-University Centre of the UGC in May 1996 and set out to be a major player for promoting scholarly communication among academicians and researchers across the country. With technology being a driving force in the contemporary education system, the INFLIBNET Centre has taken up a number of initiatives for the benefit of the academic community in India.

About Tripura University

Tripura University was established as a State University on 2 October 1987 and converted into a Central University on 2 July 2007 through an Act of Parliament. Tripura University as a premier higher education institution in Northeast India, the University comprises 44 departments and numerous affiliated colleges. It is committed to promoting quality education, research excellence, and technological innovation for the development of Tripura, the Northeast region, and the nation. The Central Library, a cornerstone of the University& academic ecosystem, serves as its Knowledge Hub and a vital pillar of academic and research excellence. Over the years, it has evolved from a traditional repository into a comprehensive, technology-enabled knowledge and research centre. With a sustained commitment to academic excellence, the Library continuously enriches its print and digital collections, modernizes its infrastructure, integrates advanced information and communication technologies, and ensures seamless access to scholarly resources. It provides a dynamic, inclusive, and user-centric environment that fosters teaching, learning, research, innovation, and lifelong learning.
