D.O. No. F.1-3/2023 (CU)

01 JUN 2023

June, 2023

Subject:- Annual Allocation under Capital Assets-35 for the year 2023-24-regarding.

Dear Sir,

In order to finalise the Annual Allocation under Capital Assets Head for the year 2023-24, UGC constituted a Committee to assess the financial requirements of various central universities under Capital Assets for the financial year 2023-24. Based on the recommendations of the Committee and subsequent approval by the Competent Authority at the UGC, I am directed to convey the allocation under Capital Assets Head for the year 2023-24, subject to release of funds by the Ministry of Education, in respect of **Tripura University** as per details below:-

(Rs. in lakhs)

S. No.	Name of the Item	Annual Allocation for the year 2023-24 under Capital Assets, approved by UGC
1	Books / Journals	100.00
2	ICT enabled infrastructure for online learning and content development and procurement of e-resource (perpetual)	125.00
3	Small Equipment/laboratories	150.00
4	Campus Development	150.00
5	Others infrastructure including furniture & fixture	175.00
6	Additional Grant for committed liabilities related to ongoing projects/CPWD	1000.00
	Total	1700.00

The University should take the following points into account while utilizing the grants:

1. In the present scenario, online journals are available. Hence, the university may utilize the facilities/journals made available by the INFLIBNET/ National Digital Library.
2. University should not undertake the work/projects i.e. approach road, water pipeline, electric sub-station etc. which are the responsibility of the State Government. In this regard, university may take up the matter with State Government/Central Government/UGC, as the case may be.
3. UGC vide its letter No.F.13-2/2017 (CU) dated 27th May, 2017 requested all central universities for the adoption of General Financial Rules (GFR) 2017. Therefore, university should follow the General Financial Rules, 2017 as well as instructions of GFR 130 to 141 pertaining to the execution of the works.

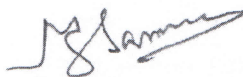

Contd....

4. The Central Vigilance Commission (CVC) vide its letter No.011/VGL/014 dated 11th February, 2011 has circulated the instructions on "Transparency in Tendering System" and No.01-11-CTE-SH-100 dated 17.02.2011 regarding "Mobilization - Advance". Therefore, the construction work should strictly be as per General Financial Rules, 2017 and CVC instructions issued from time to time.
5. The MHRD (now MoE) has clearly articulated the guidelines for financial management in Central Universities and the procedure has been well laid down in the MHRD letter No.F.61-19/2005-Desk (U) dated 3rd March, 2016. Therefore, university may ensure that the instructions to maintain financial propriety are strictly followed and no deviation from the procedure is allowed.
6. University shall have the flexibility to reallocate grants from one sub-head to another within the Capital Assets 35 Head and within the total allocation. This reallocation should not exceed 25% (per sub-head). However, if the amount exceeds 25%, the University will have to seek prior approval from UGC. But in all cases the University will inform UGC about the reallocation of grants.

I would also like to request you to ensure proper and timely utilization of the grants for smooth management of funds, to avoid unnecessary audit objections and pull back by RBI (TSA). The release of grant would depend on the pace of expenditure by the University and timely submission of the utilization certificate/statement of expenditure.

With warm regards,

Yours sincerely,

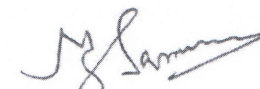

(Mriganka Sekhar Sarma)
