Response: Tripura University is fully aware of the indispensability of strong and active Students' Council to represent and voice concerns of the first primary stakeholders of any academic institution of higher learning. With this view in mind, the university has taken a concerted effort to initiate the formation of a Students' Council in January 2017, keeping in mind all the required legal and academic parameters and directions provided by the concerned regulatory bodies such as the UGC and the Statutes and Ordinances of Tripura University. The university envisions an active Students' Council that would play a structural and integral role in all academic bodies and committees of the university like the Academic Council and Court, by effecting an interface between academia and the administration for the larger benefit of the community.

In absence of a formal Students' Council, student representatives on the basis of Merit and other socio-economic categories are regularly incorporated in different decision making bodies for emboldening student interests and feedback in every aspect of University policy formulation and administration.
