7.1.7 - The Institution has disabled-friendly, barrier free environment

- 1. Built environment with ramps/lifts for easy access to classrooms.**
- 2. Disabled-friendly washrooms**
- 3. Signage including tactile path, lights, display boards and signposts**
- 4. Assistive technology and facilities for persons with disabilities (Divyangjan) accessible website, screen-reading software, mechanized equipment**
- 5. Provision for enquiry and information : Human assistance, reader, scribe, soft copies of reading material and screen reading**

The institution is committed to providing an inclusive and accessible environment for all individuals, including those with disabilities. It has designed a barrier-free campus that includes wheelchair ramps, wide doorways, and washrooms. Elevators and lifts are available to ensure easy access to all floors, while designated parking spaces for people with disabilities are strategically placed near entrances. Tactile paths, smart LED lights, display boards and signposts are provided throughout the campus for easy access. Assistive technology and facilities for persons with disabilities (Divyangjan) accessible website, screen-reading software, mechanized equipment like screen reading software, monochrome technology, dark high contrast mode, bright high contrast mode etc. are also used to enable the use of disabled persons. Regular awareness is provided to security personnel to provide regular assistance and act as readers/scribes wherever deputed. These measures reflect the institution's dedication to creating a supportive and equitable environment for everyone, regardless of ability.
