Hello Placement Team,

Greetings from AdmitKard.

We are glad to associate with **Tripura University** for campus recruitment.

About AdmitKard:-

AdmitKard, a VC-funded EdTech startup, was founded in 2017 by IIT-IIM Alumni (**Piyush Bhartiya & Rachit Agrawal**). AdmitKard is a platform through which a student of any country can apply to a university/ college of any other country. We are an end to end platform which helps students from testprep, profile building, admissions, education loan, accommodation etc., all from the comfort of their home, hostel, or wherever they are in the world. Our model is where a current international student helps the next batch of students to get into those sets of colleges. We not only help students get into college but we help them get out of college as well.

We have raised INR 15Cr+ from founders of some of the great names from the industry like **Zomato, Swiggy, CRED, Flipkart, Unacademy, Vedantu, Upgrad**. We have grown 11x in 2021 and aim to grow another 5-6x in 2022; hence we are building a bigger and stronger team, adding more bright minds to our stellar team. We had a great start for 2022, as we got selected for **GSV Cup** which is for top 200 Innovative EdTech companies globally.
