### TU holds 15th scheduled tribe students meet

Times News

Agartala, Nov 30: The 15th Scheduled Tribe students orientation cum social meet of Tripura University was held at Maharaja Bir Bikram Centenary Auditorium on Saturday. The event aimed to foster unity and celebrate the cultural heritage of the university's scheduled tribe students. A key highlight of the event was the formation of a new executive committee, with Devika Debbarma from Journalism and Mass Communication elected as president.

The meet also showcased student talents, celebrating the achievements of the Journalism and Mass Communication department, which has excelled in volleyball, film festivals and street theater. The meet was widely appreciated for promoting solidarity and cultural pride among students.

## IMD and TU signs MoU **For indigenous lightning detection system dev**

26/12/24

Observer Reporter **OBSERVER**

Agartala: Dec 24. In a significant step towards enhancing India's capabilities in weather monitoring and research, a Memorandum of Understanding (MoU) was signed between the India Meteorological Department (IMD) and the Department of Physics, Tripura University.

The signing ceremony took place in the presence of distinguished officials, including Dr. M. Ravichandran, Secretary of the Ministry of Earth Sciences (MoES), and Dr. M. Mohapatra, Director General of the IMD. The MoU was signed by Ms. R. Madan, Scientist G at IMD, and Dr. A. Guha, Professor at the Department of Physics, Tripura University.

The collaboration aims to expand the indigenous development of India's Lightning Detection Network (ILDN), a critical infrastructure for real-time lightning detection and forecasting.

Additionally, it seeks to foster a robust ecosystem for collaborative research, integrating the expertise of academia, research institutes, and operational agencies across the country.

Dr. Ravichandran lauded the initiative as a vital stride in utilizing advanced technology for improving weather prediction and mitigating natural disasters.

# TU Economics Alumni meet on January 5

■ NEC Report NORTH EAST COLOURS/24.12.24

**Agartala, Dec 26:** The Department of Economics Alumni Association (DEAA) of Tripura University held its General Body Meeting at Jogesh Mansion to discuss key initiatives, including the much-anticipated Alumni Meet 2025. Chaired by Vice President Abhijit Sarkar, the meeting focused on planning, registration processes, and other essential arrangements. The Alumni Meet is scheduled for January 5, 2025, at Academic Building-3, Tripura University, commencing at 11:00 AM. Registration is open until December 28, 2024, with a fee of Rs. 200 for alumni, while invitees such as departmental faculty, research scholars, and third-semester students are exempted. Students, however, must complete the registration form. The program features an inaugural ceremony, cultural activities, interactive sessions, and batch-wise performances, culminating in a General Body Meeting. A detailed schedule has been finalized to ensure seamless proceedings. Committees for organization, food, registration, cultural events, and programming have been established, with notable faculty and alumni taking leadership roles. Funds for the event will temporarily be handled by committee member Sukanti Roy until the association finalizes its registration and opens a bank account. The DEAA remains committed to fostering alumni engagement and enhancing the department's academic community. The meeting concluded with a collective vote of thanks to the chair and the participating members.

# Pt. DD Upadhyay quests for stronger 'Bharat': Prof. Deepak Sharma/OBSERVER

Observer Reporter 27.09.24

Agartala: Sept 25. Tripura University in collaboration with Swadeshi Jagran Manch (SJM) celebrated the Antyodaya Diwas today to commemorate the birth anniversary of Pandit Deendayal Upadhyay. On this occasion, a special lecture has been arranged for the University fraternity on the theme 'Significance of Swadeshi contemplation in present scenario'. The keynote speaker of the programme was Prof. Deepak Sharma, Kshetra Sanyojak, Purvottar Bharat, Swadeshi Jagran Manch who highlighted the contribution of Panditji. Prof. Sharma said that Panditji was a well-known philosopher who worked for the noble cause of the poor and needy people of our society. Panditji gave the term 'Antyodaya' literally means the 'Upliftment of the last Person' and captures the essence of Integral humanism where citizens must not be denied the necessities of life like food, shelter and employment. Prof. Sharma further added that we need to retain our sacraments, our cultural and ethical values. He expressed his great concern that today our youths are attracting in foreign things, they are morally de-gradated and our family cultures are disintegrated. He said that the literatures and thoughts of the Panditji are very relevant for today. He appealed to the students and scholars of the

University to read the literature of Panditji. The programme was presided over by Prof. Ganga Prasad Prasain, Hon'ble Vice-Chancellor, Tripura University who has also advocated Panditji's thoughts for Swadeshi to promote self-reliance and indigenous industries. More than two hundred scholars, students, faculties, officers and non-teaching staff were benefited by the programme. Dr. Dharmendra Dubey, Dr. K. S. Suman, Dr. Shailesh Srivastava, Dr. A. K. Sinha, Dr. S. N. Tiwary, Dr. ManojMaurya, Dr. Alok Pandey, Dr. Satyadeo Mishra and many other dignitaries were present during the programme and it was moderated by Dr. Muneendra Mishra, Astt. Director (OL), TU.

# Tripura University: A Beacon of Hope for Quality Education

Animesh Dhar

In the realm of higher education, Tripura University has emerged as a shining example of excellence, dedication, and innovation. Nestled in the picturesque landscape of Tripura, this esteemed institution has been a beacon of hope for quality education, leading countless students towards a brighter future. Under the visionary leadership of its administration and Vice Chancellor, Tripura University has been steadily ascending the ladder of success, leaving an indelible mark on the educational landscape of the region.

## A Legacy of Excellence

Established in 1987, Tripura University has come a long way, evolving into a premier institution of higher learning in the Northeast. With a rich legacy of academic excellence, the university has been consistently striving to provide world-class education, fostering a culture of intellectual curiosity, creativity, and critical thinking. The university's commitment to excellence is reflected in its rigorous academic programs, cutting-edge research initiatives, and innovative pedagogical approaches.

## A New Era of Progress

Over the last four years, Tripura University has witnessed a significant transformation, with the administration clearing all pending activities and initiatives. One of the most notable achievements has been the successful organization of convocations, which had been pending for several years. The administration's efforts to clear this backlog have brought relief to thousands of students who had been waiting for their degrees. The convocation ceremonies, which were held with great fanfare, marked a significant milestone in the university's history and were a testament to the administration's commitment to the welfare of its students.

Another significant achievement of the administration has been the completion of pending recruitment processes. The university had been facing a severe shortage of faculty and staff, which had been affecting its academic programs. However, with the administration's efforts, the recruitment process has

been completed, and the university has been able to appoint qualified and experienced faculty and staff. This has not only improved the quality of education but also provided a boost to the university's research initiatives.

## Visionary Leadership

At the helm of Tripura University's success story is its Vice Chancellor, who has been instrumental in shaping the institution's vision and mission. With a deep understanding of the complexities of higher education, the Vice Chancellor has been driving the university's growth, leveraging his expertise to create a conducive learning environment, promoting academic excellence, and fostering a culture of innovation. Under his leadership, the university has witnessed a significant improvement in its infrastructure, academic programs, and research initiatives.

## Administrative Excellence

The administration of Tripura University has been a key factor in its success, demonstrating exceptional leadership, strategic planning, and operational efficiency. The university's administrative team has been working tirelessly to ensure seamless functioning, providing support to faculty, staff, and students, and facilitating the implementation of various initiatives. From infrastructure development to academic programming, the administration has been instrumental in driving the university's growth, always keeping the interests of the students and the institution at the forefront.

## Academic Programs and Research

Tripura University offers a wide range of academic programs, catering to the diverse needs of students, from undergraduate to doctoral levels. The university's academic programs are designed to provide students with a comprehensive education, equipping them with the knowledge, skills, and attitudes necessary to succeed in an increasingly complex and interconnected world. With a strong focus on research, the university has established itself as a hub of scholarly activity, with faculty members and students engaging in cutting-edge research projects, addressing local,

national, and global challenges.

## Innovation and Entrepreneurship

Tripura University has been at the forefront of innovation and entrepreneurship, providing students with opportunities to develop their creative potential, turn ideas into reality, and become job creators rather than job seekers. The university's innovation ecosystem, comprising incubators, accelerators, and makerspaces, has been supporting start-ups, fostering a culture of entrepreneurship, and promoting industry-academia collaborations. By encouraging innovation and empowering students to become agents of change, driving economic growth, and contributing to the development of the region.

## Community Engagement and Social Responsibility

Tripura University has been actively engaged with the community, demonstrating a strong commitment to social responsibility. The university has established partnerships with local organizations, government agencies, and NGOs, working together to address pressing social issues, promote sustainable development, and enhance the quality of life in the region. By engaging with the community, the university is not only fulfilling its social responsibility but also providing students with opportunities to develop their skills, gain practical experience, and become responsible citizens.

## Infrastructure and Facilities

Tripura University boasts of state-of-the-art infrastructure and facilities, providing students with a conducive learning environment. From modern classrooms to well-equipped laboratories, the university's infrastructure is designed to support academic excellence, innovation, and research. The university's library, with its vast collection of books, journals, and digital resources, is a hub of intellectual activity, supporting students and faculty in their academic pursuits.

## A Bright Future Ahead

As Tripura University continues to soar to new heights, it is clear that the institution
