ACKNOWLEDGEMENT

Arindam Bhattacharyya was invited to deliver a lecture cum demonstration on Hindustani classical vocal music which was arranged under the auspices of the Music Department of this University on 19/02/2016.

Arindam Bhattacharyya inherited music from his father, legendary tabla maestro of Luknow Gharana Pandit Swaraj Bhattacharyya & his grandfather Late Sangitacharya Bibhuti Bhusan Bhattacharyya. Though he belongs to the Lucknow school of tabla and has acquired an excellent skill of Tabla playing, his inner urge and gifted voice turned him into a vocalist.

Arindam is a very laborious student of his guru and renowned musician, vocalist, composer and teacher Pandit Ranjan Mukherjee who has a very rare background of Talim in the tradition of Patiala, Kirana and Kotali Gharana (The Gharana of Late Sangitacharya Tarapada Chakraborty and his son Late Pandit Manas Chakraborty, the outstanding luminary in the musical galaxy). He also has the opportunity to be blessed and guided by Dr. Pradip Kr. Ghosh, one of the most scholarly and eminent musicologists of our country.

He is a brilliant student of Rabindra Bharati University, Kolkata, qualified 'NET' and persuing Ph.D. Being an 'A' Grade Artist of All India Radio and Doordarshan, he performed extensively all over India and abroad.

During the lecture cum demonstration, Arindam proved his prowess, talent, knowledge and charmed the whole audience with his extraordinary musical vocabulary and performance.

All the faculty members of this University wish Arindam every success in his life.

7. Outreach Footprint of the Department:

- i. Outbound Industrial Tour of the students of DoBM to Delhi NCR from 3/1/19 to 12/1/2019
 Innovative pedagogy of MBA curriculum of Tripura University has taken the students and faculty members beyond classrooms to the hotbed of industrial development of India. The final year students of the MBA department have embarked on a journey to experience the factory ambience under state-of-the-art infrastructure capabilities across various domains on a 10 day rigorous visit schedule. The department has been successfully organizing this visit over the last two years being the sole department in the entire North East. In this third year, the visit schedule started on 3/1/19 and would continue till 12/01/2019. In these three years, it has been observed that students have learned various intricate concepts of business management while interacting with the managers of these companies. Such hands-on exposure to production environment is crucial for a student to push their own horizon and evolve as a manager. Even the evenings are studded with guest lectures drawn from academia and industry which gives them a feeling of a competitive corporate environment. This year's visit started with Anmol Bakers Pvt. Ltd which is the fourth largest biscuit manufacturer in India located in the Surajpur industrial area, Gautam Budh Nagar. The Quality Head of the company engaged in a candid interactive session with the students and threw some typical business problems before the students. Afterwards, the students went to other plants of Control Switch Gear Ltd (C&S) and Wipe India Automotive Ltd. The uniqueness of this programme is to support the students with real life exposure besides class room training. The blend of theory and practice is essential for a student to grow. This year the students are going to visit more companies like Global Autotech Pvt. Ltd., Oerlikon Graziano, Case New Holland Tractors, Subros Automotive and ABP News Network. The exposure to cutting edge technology and best practice approach perfectly blend with the theoretical underpinnings thus making the whole learning gamut a prospective one for the students as well as for the department which has become a beacon of the North East.
- ii. Local Industry Tour on 17/11/2018
 Department of Business Management, Tripura University (A Central University) organized one local industrial visit for the MBA 1st semester students on 17/11/2018 with financial aid from the university. The objective of the visit was to acquaint students with various

aspects of industrial working. This visit is a compulsory one having certain weight in exam performance based on presentation and report submission. Students visited two industries from MSME sector operative in Tripura: Mutha Industries limited and Tripura Ispat Limited. Mutha Industries in Tripura produces furniture, wood, tiles and other home interior items from bamboo, a rich natural resource of the state whereas Tripura Ispat is involved in manufacturing of TMT bars of different dimensions.
