In the next page, a few bar graphs that depict (a) the basic data on the number of books and journal papers published by Tripura University authors, (b) the number of various symposia, conferences and workshops organized in the campus of Tripura University, and (c) the number of sponsored projects running in Tripura University, are provided. The graphs clearly indicate the healthy growth of the academic output and outreach activities in this University.

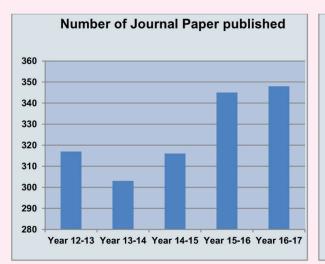

The list given above provides a glimpse of the efforts that the University has undertaken in 2016-17. The University is looking forward with great enthusiasm for further developments in Skill Programmes, Industrial and International Collaborations, Digitization and Modernization, Innovation and IPR, Upgrading Adopted Villages, and on improving its national and international rankings. It is committed to the goals of automation, faculty and staff recruitment, infrastructure development and social outreach in the coming years.

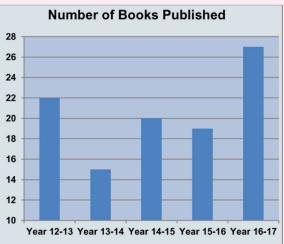

In the following pages the details of the various scholarly activities undertaken by each of the Departments and Centres are discussed with significant data presented in tabular forms. Additionally, the details of work done by the Central Library, the Sports Board and various other bodies are also presented. Main financial details have also been presented in this treatise. An album of various activities/seminars/functions organised by Tripura University during the year 2016-17 is attached.

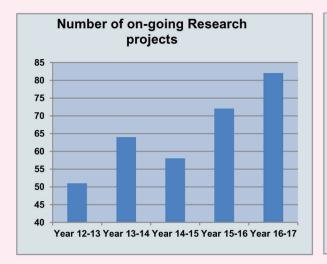

It is our hope that this compendium, will give a fair idea on the diversity, vibrancy and quality of the multitude of activities undertaken by Tripura University in the year under reference. This document and many more tables and detailed data on all the Departments and Centres are provided in an attached compact disc. The compact disc also contains the Hindi versions of documents mentioned along with the English and Hindi versions of the Annual Financial Report of Tripura University.

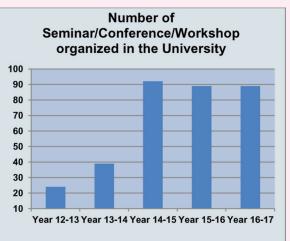

I thank the Committee on Annual Report and its team for producing the English and the Hindi versions of the Annual Report 2016-17 in a timely manner.

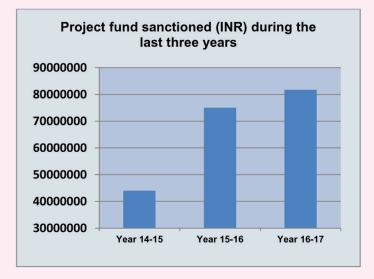

Best wishes to all Prof. Anjan Kumar Ghosh Vice-Chancellor Tripura University

# **About Tripura University**

Tripura University took off as a State University on 2 October 1987 and was converted into a Central University on 2 July 2007 under an Act of Parliament to establish a teaching and affiliating university in the state of Tripura and to provide for matters connected therewith or incidental thereto. The kings of Tripura, since 1947 onwards, guided by a zeal for education and inspired by a vision to excel, established many colleges in this green hilly state affiliating them to Calcutta University. But the geographic distance from the University of Calcutta being a formidable deterrent, it was virtually impossible on the part of a large number of poor students of Tripura to continue further studies after graduation since postgraduate education within Tripura was not yet initiated. The political history of Tripura since 1960s, replete with student movements, had consistently harped on the demand for expansion of opportunities for higher education and setting up of Tripura's own university. As a consequence, the Calcutta University authority agreed to offer post-graduate classes in History, Mathematics, and Economics at the MBB College campus and the University Grants Commission (UGC) formally recognized the Calcutta University Post Graduate Centre (CUPGC) in 1976. But the dream for a full-fledged University within the state was yet to be fulfilled and student movements gradually gathered momentum for a separate university for the higher education of its students. For a decade, the CUPGC with all its limitations functioned as the highest centre of learning in the state, operating from various scattered old government buildings at College Tilla, Agartala. In spite of severe financial constraints, land for a new campus was selected by the state government for the CUPGC in a green 75-acre, semi-urban setting on the National Highway at Suryamaninagar, about 9 kms south of the capital city Agartala. With the aim of setting up a full-fledged University at that location in near future, the foundation-stone was laid at Survamaninagar campus on 18<sup>th</sup>December, 1985 by Dasaratha Deb, the legendary leader of the historic Janasiksha (People's Education) movement and the-then Deputy Chief Minister and Education Minister of Tripura. Taking into consideration the long-cherished demands of the student-community and the growing aspirations of the people at large and also acknowledging the present and future needs of education in the state, the State Government took the initiative to pass the Tripura University Act in the Assembly in 1987 and finally the first University in the state came into being. This was indeed a dream come true. After its up-gradation to a Central University, the overall development of Tripura University has been conspicuous by all round efforts undertaken to strengthen the infrastructural facilities and academic acumen.

Tripura University is accredited by NAAC in Grade B with CGPA of 2.63 on four-point scale. It is now ranked 39th amongst all general Universities as per the India Today Nielsen University ranking survey, 2017 (Ref. India Today Magazine, June 26, 2017 issue, pages 101-102). The University has also obtained recognition from AICTE, NCTE and similar other apex bodies for offering academic courses.

At present the number of colleges affiliated to the university is 52, consisting 27 general degree colleges, 2 technical colleges, 5 polytechnic colleges, 2 medical colleges, 3 nursing colleges, 5 BEd. colleges and 8 professional colleges.

The University offered 51 different courses under its Science, Arts and Commerce Faculty, during the academic year 2016-17 out of which 39 courses of Post Graduate Level (Botany, Chemistry, Geography & disaster management, Human Physiology, Mathematics, Physics, Zoology, Information Technology, Electrical Engineering, Computer Science & Engineering, Molecular Biology & Bioinformatics, Pharmacy, Forestry & Biodiversity, Microbiology, Statistics, Electronics & Communication Engineering, Chemical & Polymer Engineering, Material Science & Engineering, Bengali, Economics, Hindi, Philosophy, Sanskrit, Rural development, Music, Law,

Education, Psychology, Linguistics & Tribal Languages, Commerce, English, History, Political Science, Management, Fine Arts, Journalism & Mass Communication, Sociology, Kokborok), 6 courses of Degree Level (B. Voc. In Film & Video Production and BVoc in Rubber Technology, B.C.A. & B.BA (up to 2015), Integrated Master's Degree, Library & Information Science), 5 Diploma Level Courses (Bamboo cultivation & Resource Utilization, Tribal Language, Women's Studies, Finance & Taxation, Tribal & Ethnic Studies) and 1 Certificate Level Course (Kokborok) were offered. In addition to these, PhD programs were also offered in 35 subjects.

#### Location, Climate and Connectivity

Located in the green picturesque state of Tripura, whose undulating topography comprises of low lying hills shrouded with dense vegetation cover and interspersed with meandering rivers, rivulets and streams, the sprawling green campus of the university is an eye-catcher. Situated in West Tripura District about 9 km away from the City of Agartala and 24 km from Agartala Airport (Singerbill Airport), Tripura University is easily accessible by road.

The state is well connected with Guwahati, Silchar and Shillong by road. A daily bus service from Kolkata to Agartala through Bangladesh has also taken off, for which a transit visa is needed. Agartala is also directly connected to Guwahati, Kolkata and other North-eastern cities and with other metros via Guwahati or Kolkata by air route. The earlier meter gauge railway line connecting Agartala to Lumding and Guwahati has been upgraded to broad gauge. Of late Rajdhani Express has also been introduced connecting Tripura to New Delhi and the rest of India. The average temperature of Agartala in summer is about  $30^{\circ}$ C and in winter, about  $15^{\circ}$ C.

#### **Facilities and Services**

#### University Library:

The Calcutta University Post Graduate Center (CUPGC), Agartala, Tripura was converted into the Tripura University (State) on 2<sup>nd</sup> October, 1987 and was awarded the status of Central University on 2<sup>nd</sup> July, 2007. #### Canteen:

Tripura University has a central canteen that offers various food items at a moderate rate, ranging from heavy lunch to light snacks and beverages. The Canteen is located at the ground floor of the sports building situated at the middle of the University campus and has a seating capacity of around 100 students at a time. The Canteen also has a separate seating arrangement for the academic staff with an approximate capacity of 30. The University canteen is open from 9.30 am to 5.30 pm on all days except University holidays. There are also canteens in Academic (building) XI and in the main administrative building.

#### **NET Coaching Centre**:

Ever since it was established in 2006, the NET Coaching Centre of Tripura University has played an important role in providing services viz. coaching classes particularly to the disadvantaged group members hailing from the ST, SC, OBC (Non-Creamy Layer) and Muslim Minority communities in order to face and clear the National Eligibility Test (NET) which is a must for applying for college and university teaching posts. Over these years the success rate has been tremendous as the records show. Some of the candidates made it to JRF as well. The Centre is equipped with very competent teachers from the Tripura University and also from the Government Degree Colleges in Tripura on various subjects, especially the humanities.

#### NSS UNIT:

NSS assists society by generating awareness and executing service approach. NSS Volunteers are stimulated to make changes through extension that result in more efficient production and marketing, conservation of natural resources, improved livelihood security, health, and more satisfying family and community life. Extension work is at the lowest in hierarchy, but extremely broad based in usage. It is also extremely location specific and usually susceptible to outside criticism. Extension work is to help people understand themselves.

The overall objective of NSS is to offer an extension of the academic activity of students and orient the student youth to community service. The educated youth who are expected to take the reins of administration in future are found to be unaware of the problems of the village / slum community and in certain cases are indifferent towards their needs and problems. Therefore, it is necessary to imbibe the social conscience of the students, and to provide them an opportunity to work with the people in the villages and slums.

# Equal Opportunity Cell (EOC):

Tripura University established an Equal Opportunity Cell on 3<sup>rd</sup>March 2010 to address issues related to SC/ST, the OBC (non-creamy layer), minorities and the physically challenged on a regular basis. The broad objective of the Cell is to provide the students belonging to any of the categories sufficient support so that they can successfully lead their lives. Specifically, the Cell provides support through various coaching schemes to enhance employability, language skills, social capability skills and various other skills to empower students from the disadvantaged groups. Further, the Cell also takes ample interest in effective implementation of policy and programs for the disadvantaged groups. The Equal Opportunity Cell has introduced many programs keeping in mind the objective of helping out the students from disadvantaged groups such as English Language Proficiency Class, Coaching Classes for Entry into Services, free Computer Course and Soft Skills Course for a period of three months in collaboration with NIELIT, Tripura. The Cell also takes the opportunity to guide students in availing of various scholarships.

#### **Reservation Cell**:

The Cell is responsible for ensuring effective implementation of the reservation in admission of the students and the recruitment of teaching and non-teaching staff at various levels, allotment of staff quarters, hostels etc. The main objective of providing reservation for Scheduled Castes, Scheduled Tribes and Other Backward Communities (Non-Creamy layer category) in Government services and admission of students is to improve their social and educational status so that they can take their rightful place in the mainstream of the society.

# Anti-Ragging Committee and Squad:

As per the UGC Regulations on curbing the menace of Ragging in Higher Educational Institutions, 2009, Tripura University formed an Anti-Ragging Committee and an Anti-Ragging Squad under the Chairmanship of the Vice Chancellor. This Committee functions actively throughout the year to eliminate all possibilities of occurrence of ragging in any form.

Tripura University has a zero-tolerance policy towards ragging. Ragging in all its forms is totally banned in the entire Tripura University complex including its departments, and all its premises (academic, residential, sports, canteen, etc.). The University authority shall take strict action against those found guilty of ragging and/or of abetting ragging.

Any complaint of ragging can be made to the nodal officer whose name, e-mail address, mobile number is given below:

Name	:	Dr. Nishikant Kolge
e-mail id	:	kolge270477@gmail.com
Mobile Number	:	+91-9862132692

Tripura University has 40 departments. These can be grouped as follows: Departments of Biological Sciences, Departments of Natural Sciences, Departments of Engineering and Technology, Departments of Social Sciences, Departments of Languages and Creative Arts, Departments of Economics, Management and Law, and Departments of Education.

Teaching and research are also carried out in several centres. These are: Bamboo Cultivation and Resource Utilization Centre, Centre for Studies in Social Exclusion and Inclusive Policies, and Women's Studies Centre.

University also runs Under-graduate programs in skill development through (1) B.Voc.in Rubber Technology and (2) B.Voc.in Film and Video Production. These B. Voc. programs were started in 2015-16.

For several years, University is running BBA programme in the Department of Business Management and BCA in the Department of Information Technology respectively.

Five year Integrated Master Degree Programme is also offered in a few subjects in Humanities (Bengali, English, and Hindi), Social Sciences (History, Political Science, Philosophy, and Economics), Mathematics and Statistics.

Along with the regular mode of courses, the University also runs Masters, Bachelors and Certificate courses in the open and distance learning mode through its Directorate of Distance Education. The Directorate of Distance Education offers MA in Political Science, Education and Bengali, BA programme (Pass course) and a six months Certificate Course in Human Rights.

The University has a cell on NET Coaching Centre and National Service Scheme (NSS). The NET coaching cell operates under Equal Opportunity Cell.

The details of teaching, research and various achievements of all these academic units are given in the following pages. A compact disk (CD) is attached along with this printed Annual Report 2016-17 with many more details about these Departments.

# **Departments of Biological Sciences**

The Department of Botany received both SAP from UGC and FIST grant from DST. Thus they have well-equipped laboratories. This department runs a one-year PG Diploma course in Bamboo Cultivation and Resources Utilization. There is a research collaboration between this Department and IISER, Pune. The young Department of Forestry and Biodiversity has so far graduated 47 MSc students, most of who are absorbed in the local academic and research institutions. The DBT sponsored State Biotech Hub also runs under the aegis of the Department of Human Physiology. This hub was formally inaugurated by Honourable Dr. Harsh Bardhan, the Minister of Science and Technology and Earth Sciences, in September 2015.

The Department of Microbiology has increased its activities manifold in 2015. An Indian patent application has been filed. Several collaborations with both academia and industrial research centres have been started. With the help of the faculties of the Department of Microbiology, a MoU was signed between Tripura University and a private industry (Biostadt India Ltd., Mumbai) in May 2015 for the first time.

The DBT sponsored Centre of Bioinformatics is run by the Department of Molecular Biology and Bioinformatics. This centre was also formally inaugurated by Honourable Dr. Harsh Bardhan, the Minister of Science and Technology and Earth Sciences in September 2015.

The faculty members of the Department of Pharmacy are active in the Innovation Club that was inaugurated by Honourable President of India in 2013 during his visit to Tripura University. Dr. K. Manna of the Department of Pharmacy attended the Innovation Workshop organized in the Rashtrapati Bhavan, New Delhi frequently on behalf of the Innovation Club. The Department of Zoology has achieved several milestones in research and development during 2016-2017. The researchers of this department has completed inventories of Tripura State for (a) Butterflies – 222 species, (b) Mammals – 36 species, and (c) Earthworms – 39 species by working on these issues for over four years. A novel population of Ladybird beetle (*Micraspis*) species was found from Tripura based on DNA bar coding of mitochondrial gene (COI). Distinguishing characters of male and female genitalia were described for the first time of the Giant Ladybird beetle (*Anisolemnia dialatata*), an endemic species of south and south-east Asia. Spectroscopic analysis of chorionic proteins of egg shell of two grasshopper species was reported. Successful induced breeding of *Pabda* and *Chital* fish was established. The faculty also developed a Standardization of vermicomposting technology in the conditions of North-East.

The departments of Biological Sciences have been very active in teaching, research and outreach all through the year 2016-17 as described in the table above. They have published 1 book as well as 4 book chapters. A list of the books published is given below:

Name of the Department	Authors	Title	Publishers	Year (2016-17)	ISBN
Microbiology	Dr. Shaon Ray Chaudhuri	Life science: Recent innovations & research	International Research Publication House	2016	ISBN: 978-93- 84443-53-5

Faculty members of the departments in Biological Sciences were invited to deliver 18 talks/ lectures in various seminars/workshops/colloquiums in 2016-17. They have also filed for 1 Indian patent as listed below:

Name of the Department	Name	Title of Patent Applied for/ Received	Patent Filing No.	Year (2016-17)	Licensed or Not
Microbiology	Dr. Shaon Ray Chaudhuri	Bio-fertilizer production from bacterial consortium	201731003023 dated 27th January 2017	2017	Filed

The total number of ongoing projects in these departments is 35. Also, they have received 15 crores 81 lakhs (approximately) in sponsored projects. The major projects of these departments are as follows:

### **Departments of Natural Sciences**

A few facts about the various Departments of Natural Sciences are given below:

The Department of Chemistry is actively involved in innovative research activities since its inception, and activity have enhanced to a great extent in the recent past due to the financial assistance from different funding agencies as major research projects to the faculty members. Department of Science and Technology, Government of India has recently (January 2016) sanctioned an amount of Rs. 1.98 crores to the department for purchase of a 400 MHz NMR under the FIST Programme (Level1). The Department of Geography and Disaster Management has also received two major research projects of Rs. 1,17,69,275 from the Ministry of Earth Science and ICSSR in 2015-16.

In the Department of Mathematics pioneering research work is done on the topics of fuzzy sets, rough sets and their practical applications. The faculty members of this Department are the major force behind the Tripura Mathematical Society, an organization that is very active in promoting studies in mathematical subjects throughout the State of Tripura.

In the Department of Physics, the main thrusts areas of research are in atmospheric physics, thin films, nanoscience, and condensed matter physics. They have collaborations with SAMMEER and ISRO for their projects. In 2016-17 this Department has organized a refresher course on Statistical Physics and its Application as well as the Second International Conference on Material Science (ICMS 2017). At present the department is running research projects of Rs 485 lakhs including financial support from FIST program of DST, Govt. of India. Average impact factor of research publications published by departmental faculty member is 2.31.

# **Departments of Engineering and Technology**

A few facts about these engineering departments are given below:

These departments are trying to combine teaching and research together even though there is a shortage of senior faculty members. The PhD programs in these departments started only in 2013 taking the help from the faculty members from the departments of Natural Sciences and several other universities such as Jadavpur University, Calcutta University, and Visva Bharati.

The research interests in the Department of Computer Science and Engineering are in wireless networks and image processing, esp. medical image processing. Detection of breast cancer in women through pattern recognition is an important project. Other projects are on effects of fog and aerosols on image transmission, automated face recognition, automated recognition of pain, wireless sensor networks, etc. The PG students of this Department actively participated in creating awareness about the menace of breast cancer amongst the nearby villages adopted by Tripura University. There are collaborative projects with SAMMEER (DeitY), DBT and Agartala Medical College.

The faculty members and students of Electrical Engineering work on areas such as renewable energy, electric power distribution, digital control and chaos based optical communication. This Department has also organised a MHRD funded first GIAN program of Tripura University on "Smart Grid: Secure & Sustainable Energy", during 16<sup>th</sup> September 2016 to 25<sup>th</sup> September 2016.

The Department of Information Technology runs both BCA and MCA programs. This department also teaches the computer foundation courses to the students of all other departments of the university under the CBCS curriculum developed in 2015. The faculty and staff members of Information Technology collaborate with Tata Consultancy Services Co. to run online examinations for various programs administered by this company. Various training programs on various aspects of modern computing are also organized by faculty of this department for the benefit of the university community.

The Department of Electronics and Communication Engineering had started its journey from 2016 with three faculty members and fifteen students. Core courses like Fibre Optics Communication and Microwave Communication along with a fine blend of Quantum Physics and its application to Nanoscale Devices enriched the curriculum quite unique and attractive. Research and training labs of the department are coming up in a great way and we hope that it will be a vibrating department in near future.

The Department of Material Science and Engineering is one of the new teaching and research departments of Tripura University, started its journey in 2016, included under the XII Five Years Plan sanctioned by UGC. This department offers the four-semester 'M.Tech' programme in 'Material Science and Engineering;' with an intake capacity of 15 students. The unique feature of the department is it is the only institute in North-East region of India, offering the Master of Technology (M. Tech.) course in 'Materials Science and Engineering'. This unique stream in engineering helps students to gain technical knowledge of various kinds of materials like metals, semiconductors, ceramic, polymer, and composite through material characterization and its structure – property relationship. The main focus of the teaching and research in this department is cantered on advanced interdisciplinary areas of materials to achieve worldwide attention and appreciation. This unique stream in engineering helps students to gain technical knowledge on various kinds of novel multifunctional materials potential for applications in electronics, energy and bio-medical sectors. The research areas of this department include: functional nanomaterials for electronics, energy harvesting and storage, spintronics nanomaterials, powder Processing of ceramic, powder metallurgy, and corrosion engineering, industrial solid waste utilization and management etc. This department will start its first PhD programme from academic session 2017-2018.

The department of Chemical and Polymer Engineering started its journey under the XII Five Years Plan sanctioned by UGC in the year 2016. The department aims to meet the growing need for wellqualified chemical engineers who will meet the expanding industry's requirements in design, manufacturing and marketing segments. This department strives for continuous improvement for creativity and innovation in both postgraduate and doctoral research and education by providing modern teaching rooms and state-of-the-art research laboratory facilities. The department of Chemical and Polymer Engineering will continue to endeavour as a universal base for information sharing that can contribute to global civilization, to educate the future generation of visionaries, prepare students for leadership in diverse careers and offer multi approach solutions to wide communal problems.

The Department of Library and Information Science is also a new department established in the year 2016 with a view to furnish the libraries in the region with vivid and skilled manpower. The department is imparting one-year truncated Bachelor of Library and Information Science (BLIS) course from 2016 to provide an understanding of basic principles, fundamental laws and postulation of the Library and Information Science, organization and development of universe of subjects. The department has started one-year Master of Library and Information Science (MLIS) course and Ph. D. Programme from academic session 2017-2018 to pursue advance knowledge on the subject, imparting the theory and practice in information storage and retrieval techniques to equipped students with the techniques of managing modern libraries in the digital era. This department also engage students in research & development on thrust areas on library and information science domain. The need for the skilled library professionals having degree in Library and Information Science with technical knowledge is inevitable in any library in this digital era. The courses are prepared, keeping in mind the current scenario of higher education in the field of Library and Information Science in India based on UGC curriculum on LIS with CBCS pattern. The Department is working to produce well equipped manpower by offering strong theoretical foundation as well as hands on practical classes, seminars, presentation, academic tour, and internship program. The students are also trained to organise personal services to clientele in manual service approach as well as ICT enabled services that reach up to their desktops.

# **Departments of Social Sciences**

A few facts about the six Social Sciences Departments are given below:

The Department of History is one of the oldest departments of this University. The faculty are involved in running the Centre for Gandhian Studies, Manuscript Research Centre, Equal Opportunity Cell and the Anti-Ragging Committee. The Department organized a celebration on the contributions of Sardar Ballavbhai Patel on his birthday.

The Department of Journalism and Mass Communications is active in both print and visual media. This department runs several seminars and workshops throughout the year. One notable program is a Media-Academia Interface program where editors of all the major newspapers and electronic media organizations in Agartala, Tripura delivered lectures and lead discussion sessions with students on the best practices of journalism today. There are sponsored projects on tribal cultures of Tripura and addiction to social media amongst the educated youths of the North-East.

The Department of Philosophy and Political Science are two of the most popular Departments in Tripura University and each have more than 70 Masters Students per year. In Philosophy Department various aspects of religion and ethics are studied. The faculty members of Political Science department are involved in running the Centre for Social Exclusion and Inclusivity Studies, Unnat Bharat Abhiyan, Women's Studies Centre, NET Coaching Centre and the University Film Club.

The young Departments of Psychology and Sociology are active in teaching, outreach activities and research. The faculty of Psychology has run a state level symposium on preventing the menace of suicide. The faculty member of Sociology department has interests in Gender studies, Popular Culture and Sociology of Religion. An e-learning module on Qualitative Research Methods has been developed in the department of Sociology.

# **Departments of Languages and Creative Arts**

All these departments are involved with the study of literature and culture of Tripura and north-east India. In the department of Bengali faculty and scholars study the folklore of north-east as well as the literature of several prominent Bengali writers. The departments of English and Hindi are involved with translation from Bengali and Kokborok into English or vice-versa. The department of English has developed ties with publishers such as National Book Trust of India and Sage publishers. These publishers have conducted workshops on book publishing to impart skills to the students of the department.

The Department of Fine Arts offers PhD and Masters Degree in Fine Arts on the specializations of Drawing & Painting, Modelling & Sculpture and Doctoral programs. An Annual Art Exhibition is held on every year in this department to develop the professional activities among the students. In every year, the skilled students are achieving invitation from different organizations like Lalit Kala Akademi, Srimanta Sankardeva Kalakshetra and renowned art galleries to perform and present their artworks.

The Department of Hindi conducts several workshops throughout the year. One of the most interesting national workshops was on Premchand: Jivan evam Darshan.

The Department of Kokborok started from the session 2015-16. The vision of the Department is to take up research on Kokborok language and literature and to document endangered languages of Tripura. The languages and literatures of other tribal languages of Tripura will also be given thrust. At the same time emphasis is given on doing comparative research on Kokborok and sister languages such as Bodo, Garo, Dimasa, Rabha, Tiwa etc. This department has become one of the most sought-after department for master studies.

The Department of Music of Tripura University is the only department in the entire NER of India which offers P.G degrees in Music (Vocal) and Dance (Kathak). The department is connected to most of the prestigious Institutions of the country such as Delhi University, Benaras Hindu University, Rabindra Bharati University, Punjab University, Indira Kala Sangeet Biswavidyalaya etc in various areas of academics. Faculties, students and accompanies of department of music are enthusiastic participants of almost all cultural functions, including annual cultural function Udbhas organized by in Tripura University.

The Department of Sanskrit is active in promoting Sanskrit grammar and literature not only in the University but in the entire state.

The Department of Linguistics and Tribal Languages has started its journey from the session 2016-17. The department imparts knowledge of contemporary theories and methods of Linguistics to students and promotes research on languages of India with special reference to tribal languages. Topics of teaching include traditional areas of linguistics, languages of South-Asian families with special focus on Tibeto-Burman family, and endangered languages. Areas of research include historical linguistics, languages of Dravidian and Tibeto-Burman families, phonology, morphology, semantics, sociolinguistics, syntax, and translation. The department is actively engaged in field work and language documentation related to languages of Bodo-Garo-Koch and Kuki-Chin-Naga subgroups of Tibeto-Burman language family.

### Departments of Economics, Management and Law

A few facts about the Departments Economics, Management and Law are given below:

Department of Business Management is popular with the students. It brings an eminent visiting faculty to inspire both MBA and BBA students. However, the NAAC team recommended discontinuation of BBA programme from 2016-17. The Department of Commerce has introduced one-year Diploma Course in finance and taxation. They organised several workshops and seminars throughout the year. The Department of Economics has received a special assistance programme (SAP) grant from UGC and perform research on various aspects of economy of the North-East. Several faculty members and research scholars of the Department are actively involved in running Tripura Economic Society. The young Department of Rural Development and Management is active in uplifting the living condition in nearby villages. The Law Department has suffered from the lack of regular faculty, however, the University has recruited several guest faculty and visiting faculty members to run the masters course in the Department.

### **University Centres**

#### Post Graduate Diploma (PGD) in Bamboo Cultivation and Resources Utilization (BCRU)

The Centre for Bamboo Cultivation and Resource Utilization was established in 2006 with financial support from National Council of Rural Institutes, MHRD, Government of India and Tripura University. The vision of the centre is to motivate and impart knowledge and skill on bamboo curriculum to students of Northeast India. One year PGD course of two semesters at the centre is a unique endeavour of its kind for generation of self–employment to youths of this region and also promote local traditions of bamboo handicrafts. The centre also offers an elective paper of two credits to main streams of Arts, Commerce, and Science students of this University. BCRU centre has also developed a bamboosetum (Bamboo Garden) rich with 31 species of Northeast India to promote research and development in bamboo cultivation and germplasm conservation.

#### Centre for Study of Social Exclusion and Inclusive Policy

The vision of this teaching-cum-research centre is to pursue the Indian constitutional objective. The centre is working for developing the understanding of the nature, extent, and forms of social exclusion, discriminations at an empirical level and formulating policies for protecting the rights of marginalized section people like ST,SC,OBC and minorities. The centre is a pioneer in introducing PGDTES course in NE region. The activities of the centre are well appreciated by UGC-NAAC, ICSSR-MHRD of the Government of India.

#### Women's Studies Centre

The Women's Studies Centre, Tripura University is a UGC sponsored scheme, established in the year 2011. In order to fulfil the criteria of phase I, Women's Studies Centre, Tripura University followed the guide lines of Development of Women's Studies in Indian Universities and Colleges, in the eleventh plan of UGC. Following the guidelines of UGC, Women's Studies Centre, and Tripura University has extensively worked on independent research, legal advocacy, documentation, training and extension programme. Through its activities, the centre has tried to generate awareness about the role of women in society and civilization as a whole, by conducting various seminars, workshops and interaction programs, the centre assess women's contribution to the social processes and find out women's own perception of their lives, the broader social reality and their struggles and aspirations. Within its research activities, WSC attempt to assess the roots and structures of inequality in the society and facilitate research in areas relating to women and gender studies with special emphasis on issues related to women in Tripura. Engaged in carrying out these activities, the centre is now empowered to act as full-fledged research centre. We hope the centre will contribute to the visibility of women's issues and open the avenues for a dialogue in multi-disciplinary collaboration in research and teaching. As the centre has successfully fulfilled the allotted activities of phase - I, the university is looking forward to accumulate the experience of 2nd phase. Presently the centre is serving as nodal centre for teaching, research and documentation in

the field of Women's Studies in the State. Hence, the centre has stepped forward to run its Post Graduate Diploma in Women's Studies from the Academic Session 2016-2017.

# **5** Year Integrated Master's Degree Programme (IMD)

In pursuance of the UGC's recommendations on reforms in higher education, Tripura University has introduced the Integrated Master's Degree Programme in the Humanities and Social Science disciplines, Mathematics, and Statistics. The programme solicits scholars fresh out of their Higher Secondary or plus two programme ready to pursue a career in the general degree courses of the university, but with the aim of developing basic research skills in higher education. The course structure and the subject combinations offered through the semester pattern of examinations aim at preparing undergraduate students both for competitive examinations at various levels, as well as for equipping them with all necessary databases enabling a smooth entry into higher academics. Project based group work as well as dissertation writing introduced at multiple levels during the programme aim at orienting young minds towards creative self-expression and developing analytical skills, transcending conventional rote learning. It is expected that our university, through the introduction of this programme, will be able to promote holistic education in the true spirit of the institution's motto – the pursuit of excellence.

#### **Directorate of Distance Education**

#### Major Achievements/ Vision:

The Directorate of Distance Education (DDE) was established in 1996 to impart higher education through the distance mode with multi-media approach. As non-formal supplementary mode of education, distance education differs from the conventional formal system in its objective to reach the unreached, to include the excluded. Tripura University has consistently been promoting distance education in accordance with the guidelines of the Distance Education Bureau (DEB), UGC, New Delhi to cater to the needs of –

- 1. Students who discontinue their formal education owing to pecuniary and other circumstances.
- 2. Students living in geographically remote areas of the state.
- 3. Students who discontinue their education because of lack of aptitude and motivation but become motivated at a later stage.
- 4. In-service persons, housewives, etc.

At present, there are more than 6000 students studying under the Directorate of Distance Education (DDE). This figure is by itself indicative of the popularity and reliability of the Directorate of Distance Education, Tripura University, amongst the common masses in general and the students of Tripura in particular.

# **Research Centres**

#### Centre for Gandhian Studies

Director	:	Dr. Satyadeo Poddar, Mahatma Gandhi Prof. of History
Year of Establishment	:	1996

The Centre for Gandhian Studies came into being in Tripura University to popularize the ideas and thought of Mahatma Gandhi among the students' community. It also envisages organizing such programs within and outside the campus, saying capacity building, shishupanchayat, sanitation, communal harmony peace and non-violence, popular lecture etc. which carries forward the vision and mission of Mahatma Gandhi for establishing "India of my dream". It also aims to start diploma, training and research activities in the Centre. By organizing series of debate and drawing competitions, drama and seminar, sanitation and preparing youth for Shantisena, the Centre has made a remarkable presence in the societies of Tripura.

During the academic session 2016-17, the Centre for Gandhian Studies has celebrated Birth Anniversary of Gandhi on 2<sup>nd</sup> October, 2016 by organizing a lecture by Dr. Nishikant Kolge, Assistant Professor, Department of History, Tripura University on "Gandhi and Feminism". A Debate Commutation on "Relevance of Gandhi" was also organized by Centre for Gandhian Studies in collaboration with Department of History, Tripura University on 30<sup>th</sup> January, 2017 on the occasion of death anniversary of Gandhi. Tripura University's first Distinguish Lecture was also organized by the Centre for Gandhian Studies in collaboration with Department of Mahatma Gandhi and a distinguished professor in the Centre for South Asian and Middle Eastern Studies, University of Illinois delivered the lecture and it was held on 23<sup>rd</sup> March, 2017 at Seminar Hall, Number –II, Academic Building No. 11.

#### Manuscript Resource Centre and Manuscript Conservation Centre (MRC & MCC)

The MRC and MCC came into being in the Department of History, Tripura University on 20th December, 2010 after signing MOU with National Mission for Manuscripts, Ministry of Culture, Government of India, New Delhi. The Centre was inaugurated by Prof. Amiya Kumar Bagchi, the Hon'ble Chancellor, Tripura University on 12.4.2011. The collaboration of NMM and MRC & MCC, TU has advanced efforts in the entire Tripura state protecting old manuscripts. The collaboration also promises a more intense coordination between the scientific community and manuscriptologists, to bring forth better technological tools and techniques to decipher, search, and retrieve the knowledge stored in these rare scriptures. Myriad hidden facts lie in the manuscripts. Besides urban area, a chunk of rare manuscripts is still with people in villages of the State. Though people worship them, they are not aware of their importance and conservation aspects.

To reach out to such people, steps have been initiated by the MRC & MCC here in Tripura through Workshops, Seminars, Awareness Programs and Public Lectures. At rural workshops and awareness programs, the instructors from the centre would teach owners of manuscript collection the basics of threading, tying, cleaning, oiling and wrapping of the rare documents in practically possible ways. The MRC & MCC not only find the ways to locate, catalogue, preserve these Manuscripts, but also enhance access and spread awareness about it. The centre is trying to inform the people of entire Tripura state the necessity of preserving these age-old manuscripts. If we preserve those valuable manuscripts, it may help us to discover precious historical facts of Tripura. Last but not the least, these efforts of MRC & MCC make help to inculcate a sense of responsibility in society toward our rich past.

# **Computer Centre**

A Computer Centre was established in 1992 to facilitate a common computational resource centre for the academic programs as well as for maintenance of other computing resources in the Tripura University. Over the years the University has grown substantially in terms of departments and academic programs as well as in infrastructure. The Computer Centre has implemented a campus LAN with optical fibre backbone connecting the academic as well as administrative departments spread over the University campus. Internet connectivity is provided throughout the campus. It coordinates computing works like students' registration, result publication work. It also conducts workshop on Computer and Information Technology. In the Computer Centre, practical classes are held for some of the Departments. The Computer Centre maintains one Central network Server Room. It maintains five Computer Centres spread over Library building, Academic building-II, Academic building-VI, Academic building–X and Academic building-XI. The Computer Centre introduced Internet facility through wi-fi access points which are installed in almost all Academic Buildings to enable students to access Internet through their personal laptops which are registered in the Computer Centre. The Computer Centre introduced virtual class rooms where teacher can take class and record the program and upload in Tripura University Online Video Library.

# University Health Centre

The Tripura University has a Health Centre to provide basic out-patient department (OPD) and observation facility and has been established to look after healthcare needs of students, research scholars, staff members, officers, faculty members and their families. The Tripura University Health Centre also attends to patients coming from adjoining areas providing them with medicine and urgent treatment in case of emergency.

The Health Centre is equipped with oxygen (using oxygen concentrator), nebulizer, sterilizer and other basic equipments that are essential for primary healthcare.

The Tripura University Health Centre is open from morning until night for providing healthcare. Two medical officers and two nurses provide their regular services at the Health Centre instilling confidence in the university family.

## **NSS Unit**

NSS assists society by generating awareness and executing service approach. NSS Volunteers are stimulated to make changes through extension that results in more efficient production and marketing, conservation of natural resources, improved livelihood security, health, and more satisfying family and community life. Extension work is at the lowest in hierarchy, but extremely broad-based in usage. It is also extremely location specific and usually susceptible to outside criticism. Extension work is to help people understand themselves.

The overall objective of NSS is to offer an extension of the academic activity of students and orient the student youth to community services. The educated youth who are expected to take the reins of administration in future are found to be unaware of the problems of the village / slum community and in certain cases are indifferent towards their needs and problems. Therefore, it is necessary to instil the knowledge of social consciences in the students, and to provide them an opportunity to work with the people in villages and slums.
