

DEPARTMENT OF BUSINESS MANAGEMENT

PLACEMENT BROCHURE MBA BATCH 2020-22

**2 Years Full-Time MBA
Approved by All India Council for Technical Education
(AICTE), New Delhi
Department of Business Management, Tripura University**

Pedagogy of Department of Business Management

Department of Business Management, Tripura University (A Central University), strikes a balance between a theoretical and practical scenario in business. Over the years the business management department has been able to create an enabling environment for learning and development where future managers are fostered organically. The pedagogical practice and dynamic course curriculum at the department have evolved by the confluence of different modern approaches backed by the state-of-the-art technology infrastructure. At the Department of Business Management, students not only learn through classroom teaching but also case-based learning, industry-academia interactions through lectures by senior-level management executives, summer internship projects, inbound and outbound industrial tours in various corporate organizations and industries emerging in hardcore business and corporate professionals. The holistic involvement of faculties across so many relevant areas is beneficial for imbibing management knowledge and the professional growth of our students, the programme offers dual specialization in Marketing management along with traditional areas of Finance, Systems, and Human Resource Management.

Accolades & Appreciations

- Department of Business Management has been selected for Conducting Faculty Development Programmes (FDPs) and Management Development Programmes (MDPS) In Business Studies, Management and such other topics for various institutes throughout the state as well as the North East.
- The Department is selected as the sole Coordinator of AICTE for student orientation programme for the state of Tripura
- Received approval for setting up a Business Incubation Centre at the Department with sanctioned amount of 1 Cr.
- The Department has been organising the Management Aptitude Tests for the state Tripura in association with the All India Management Association (AIMA).
- The Department has proven to become the first choice for various Departments as well as the State Administration and other Public Sector Bodies for engaging in Management related endeavors.
- The Department of Business Management has been revered as the best department of Tripura University.
- The Department is the only AICTE approved B-School in Tripura.
- Faculty of the Department have executed excellent Research works and have also subsequently delivered many award-winning

Activities by the Department

Incubation Center

Department of Business Management, Tripura University has started its first incubation centre in Tripura funded by the Ministry of Micro, Small and Medium Enterprises (MSME). The objective of this incubation centre is to promote the ideas of new incubators by providing them infrastructure facilities, training, and seed funding. This centre will focus on nurturing and developing the entrepreneurial attitude towards the young minds of this state and the region as a whole. Professional trainers are invited from various parts of the country and from corporate domains too, to disseminate their experiences and also to handhold the budding incubators to successfully convert their ideas into a well-planned business model. Tripura University is acting as a Host Institute for this incubation programme.

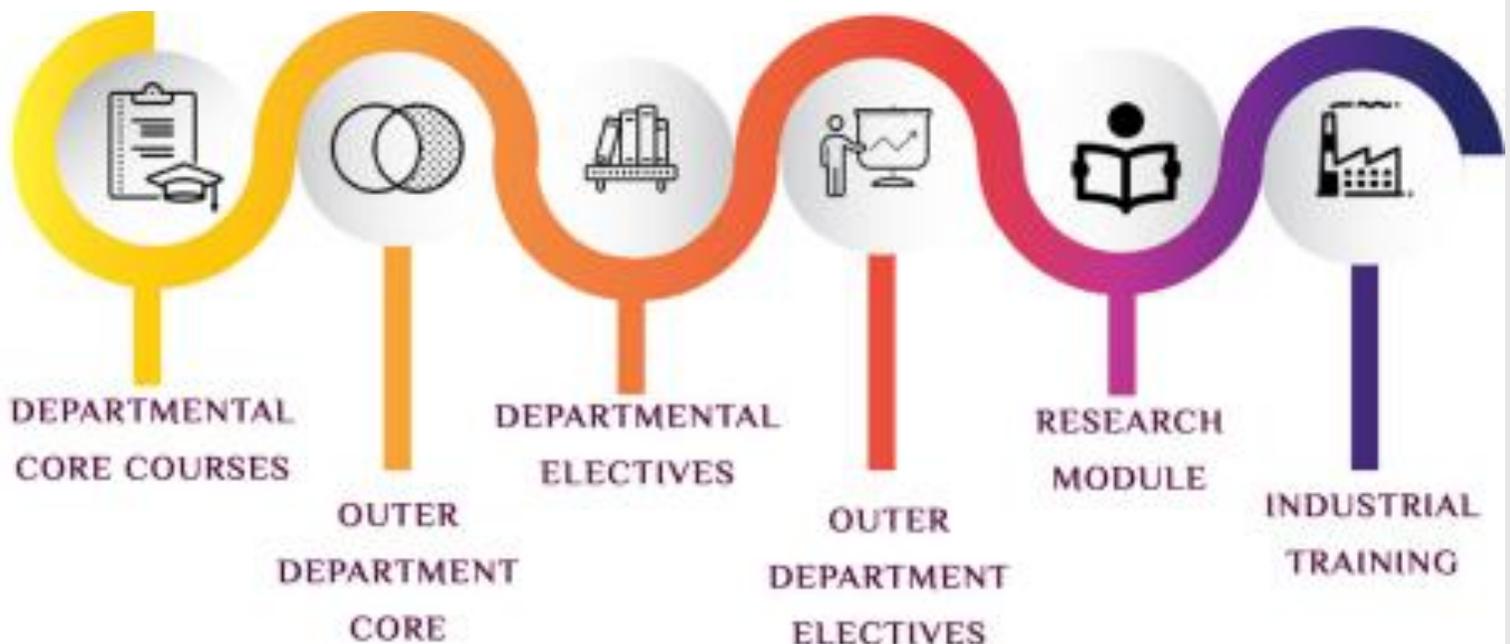

International Conference on Business Management 2020

Department of Business Management, Tripura University (A Central University) had organized a 3-Day International Conference on Business Management on the theme "Industrial Development in North Eastern Region - Challenges and Opportunities" during 27-29 February 2020 sponsored by the North Eastern Council (NEC), Shillong under Ministry of DoNER, Govt. of India. This conference aimed to propagate innovative research ideas leading to the development of a strategic road map for the industries of North-East states and also infused thought-provoking debates leading to policy level decision making at the appropriate level nationally. The objectives of the conference were to bring together the researchers from academia and industry as well as practitioners to share ideas, problems, and solutions relating to the multifaceted aspects of "Industrial Development in the North Eastern Region-Challenges and Opportunities 2020". The authors from different states of India as well as abroad have presented their papers in seven technical sessions.

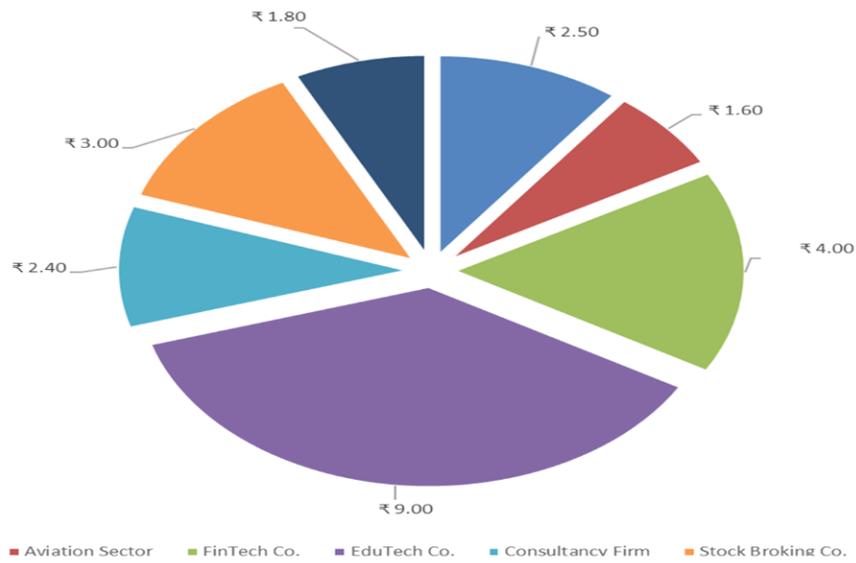

Department of Business Management, Tripura University organized a workshop on **“Lessons on Financial Planning for Young Investors”** on **14/03/2018 (Wednesday)** from 2 p.m. onwards in the Department for the MBA students. The program was initiated by Securities and Exchange Board of India (SEBI). SEBI appointed resource person for the program was Dr. Baneswar Kapasi. SEBI also provided study materials involving various aspects of financial investments to the participants of the program. Dr. Kapasi in his two hours audio visual training talked about various issues involving financial planning such as need for financial planning at an early age, various investment avenues in Indian financial market, precautions prior investment, investment portfolio design, nurturing the habit of investment with the students. Some of the photo glimpses of the workshop are given below:
