

Envision 2020

Department of Business Management of Tripura organises “ENVISION”- an online programme for the MBA final year students. Due to COVID-19, physically organising such programme became difficult, but letting students go without a proper goodbye was more difficult. So the department of Business management choose a different path to wish good luck. The programme started with the video presentation by BBA and MBA students of the department containing hundreds of memories of them participating in the different activity for the two years of their programme. Students from different semesters presented songs and recitations. There was voting competitions for the outgoing students for some of the best titles. All the faculties of the department encouraged them to be successful in their life and to be confident to face all the upcoming challenges. The students expressed their emotions and said farewell to the department. Head of the department Dr.Debarshi Mukherjee wished them luck for their better future and in the end, the programme concluded with an emotional as well as happy note.
