Sciences; Faculty of Commerce, Law,
Management and Information Science;
Faculty of Music and Fine Arts)**
For the Year 2023-24

Internal Quality Assurance Cell

TRIPURA UNIVERSITY
(A CENTRAL UNIVERSITY)
SURYAMANINAGAR, TRIPURA - 799022

General Observations for all the Faculties of Arts, Faculties of the Literature, Faculties of the Commerce, Law, Management and Information Science

1. It is observed that the performance of most of the Departments is satisfactory.
2. It is suggested that most of the Departments should engage themselves in extension and outreach activities.
3. Each department must keep record of their alumni, their progression and involve the alumni network for the departmental advancements.
4. Updated placement record of the alumni should be maintained meticulously.
5. Better university-industry linkage should be established.
6. All departments should focus of their curricula, research and teaching keeping focus of the local need of the society.
7. Faculty recruitment should be initiated in most of the departments.

Department Of Bengali

Some real job oriented skill based courses are needed to be introduced.

Department Of English

More research collaborations needed to be done

More certificate/diploma oriented courses to be introduced

Department of Hindi

More emphasis should be given towards students for clearing national level exams like NET, SET, and other competitive exams

Department has taken initiatives to inculcate originality among the vernacular people

Departmental library should be strengthened

Few more job oriented diploma courses need to be introduced

Department of Kokborok

Development of Language lab is required

Adequate space should be given for the department

Collaborative initiative is required with the local other languages of the NE region

Department of Linguistics & Tribal Language

Development of Language lab is required

Collaborative work within NE tribal languages is very much needed

This department should act as a nodal center to collaborate with all the universities in NE Region for promoting tribal and local languages of this region

Department of Sanskrit

Step like motivational programs and events should be taken to popularize the course for more student intake.

Effort should be taken for students so that they can qualify for national level competitive and academic examinations.

Departmental library should be strengthened

Sanskrit studies need to be connected with Indian knowledge system courses like Yoga, Ayurveda, plant sciences and so on.

Department of Fine Arts

The department should organise annual exhibition of art-works and other format of fine arts and University should provide necessary fund for this.

Department of Business Management

Department is appreciated for its excellent research publications
Start-up initiatives should be taken by the students
Space requirement must be resolved in a war footing basis
Executive MBA should be imitated urgently with additional resources
A dedicated placement officer is needed to be appointed on an urgent basis

Department of Law

Some job oriented diploma courses should be introduced.
Effort should be made to fill-up the sanction strength of the student
Legal aid/awareness program should be conducted in the rural areas of the Tripura.
Departmental library should be strengthened
Effort should be made to place the students
Mock court and court visit should be conducted
The faculty members of the department should be highly activated.

Department of Library and Information Science

More space should be granted
A few certificates/diploma oriented courses should be introduced

Department of Commerce

More diverse specialization is needed
Introduction of more certificate/diploma oriented courses
Starting of courses like master of finance and control
Better linkage with industry

Department of Physical Education

Indoor facility for games and swimming pool are required

Department of Journalism and Mass Communication

Some job oriented courses should be initiated
Separate Departmental library should be created
Effort should be made for proper placement of the students
More industry academia interface is required

B.Voc in Film and Video Production

Effort should be made to increase the intake of the students
Proper practical training should be imparted to the students for film and video production
Latest technological equipment' should be provided to the department on war footing basis
A special attention should be given to the department
At least six classrooms should be given to the department

Department of Archeology

Sufficient number of class rooms and faculty rooms should be provided immediately
Separate departmental library is required
A scientific lab should be established immediately
A MoU should be signed with Archeological Survey of India

Department of Economics

Handwritten signature
29.01.25

Efforts should be made for placement the students
More number of specializations should be offered

Department of History

More space should be allotted for classrooms
Effort should be made to improve communication skills of the students
Specific specialization should be offered to the students like ancient and mediaeval history

Department of Political Science

Full-fledged NEP program should be implemented
Initiation and introduction of Geo-political courses on NE Region
Placement should be done in a more rigorous way

Department of Psychology

The department has done a very good job in counseling the students and faculties of the universalityies
The department has done lot of programs to prevent the tendency of suicide among human being
Department should start initiative on work-life balance for the university students, faculties and also for the outsiders.
Faculty should have to strive for RCI registration

Department of Philosophy

Department should have to link their courses content with IKS
Some more seminars need to be conducted on Indian philosophy
Departmental library should be strengthened
More students should be encouraged opting for national level examinations like, NET, SET and other competitive exams

Department of Rural Studies

Adequate number of faculties as per UGC norms should be provided
Some skill based diploma courses should be initiated
Better collaboration with the NGOs

School of Education

Departmental library should be established
Faculty position should be filled up on a war-footing basis
M.Ed. Program should be introduced
Certificate courses should be offered
Preparation to combat the huge influx of the students expected to come after the implementation of the NEP 2020.

Department of Education

Syllabus should be revised
Bridge courses should be initiated.
Sound infrastructure is there.
Effort should be made for the placement of the students

Department of Sociology

IMD courses should be introduced.
More research work should be conducted on sociological issues of local relevance
