

Virtual Info-session on various application- based U.S. Government exchange programs

A virtual info-session on various application-based U.S. Government exchange programs was jointly organized by the Internal Quality Assurance Cell (IQAC) of Tripura University and the U.S. Consulate General, Kolkata. The event was conducted online via Zoom and began at 12:30 PM on January 13, 2025.

The speaker, Ms. Sananda Mitra, Exchange and Alumni Coordinator from the Public Diplomacy Section of the U.S. Consulate General, Kolkata, delivered a detailed presentation on U.S. exchange programs. The session was attended by Prof. Shaon Ray Chaudhuri, IQAC Director, Tripura University, along with faculty members and a large number of students.

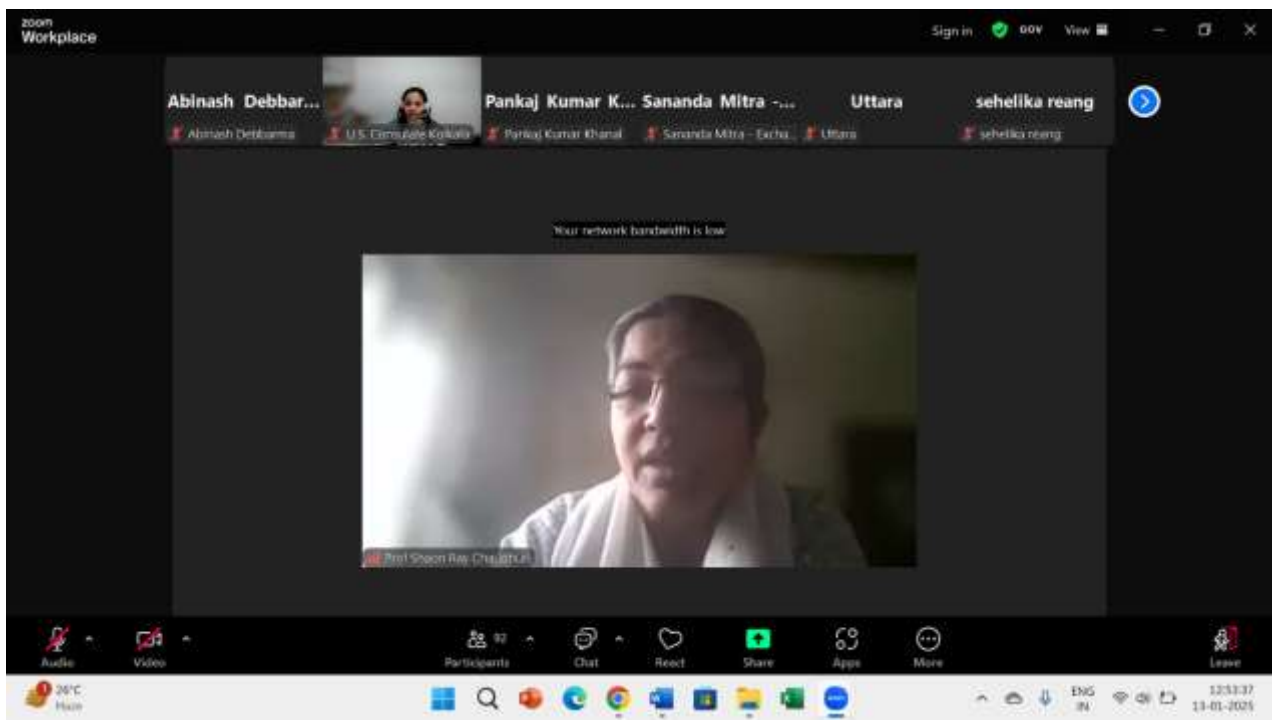

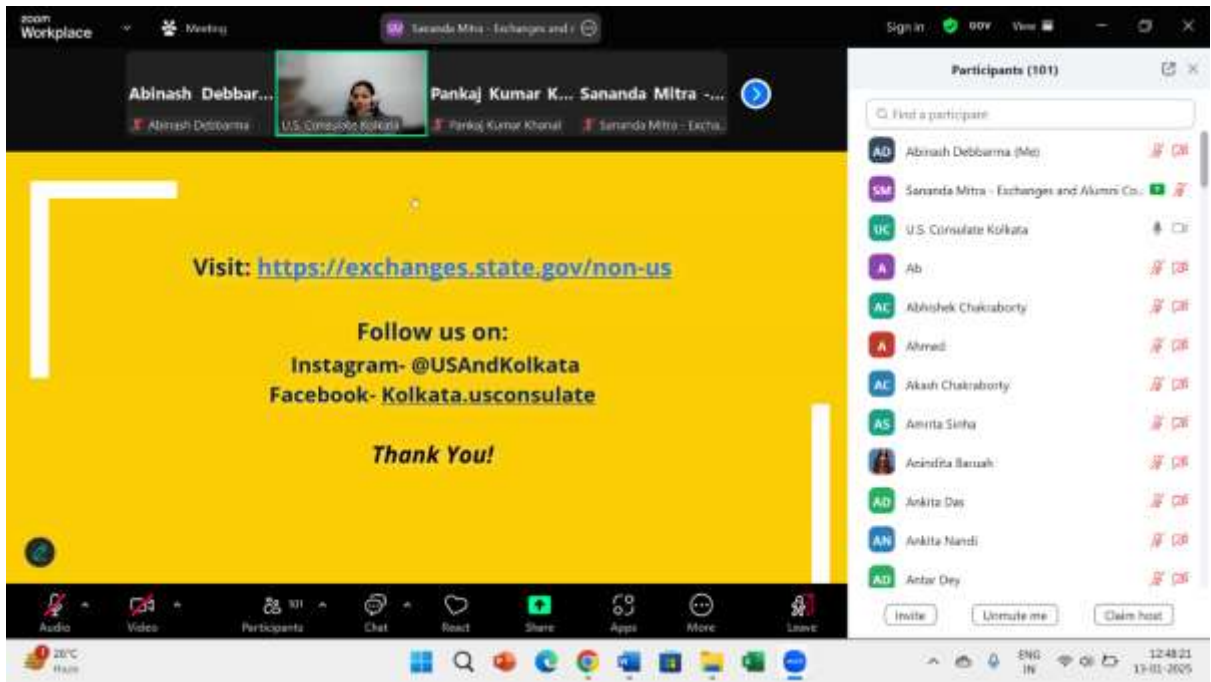

Ms. Mitra provided an overview of the U.S. exchange programs sponsored by the U.S. Department of State, particularly by the Bureau of Educational and Cultural Affairs (ECA). She highlighted the opportunities these programs offer in fostering academic, cultural, sports, and professional exchanges, which help participants gain knowledge of foreign cultures and strengthen international relationships. She also elaborated on academic exchanges, the Community College Initiative Program, professional internships, service learning, and community-organized activities, covering a wide range of fields of study.

Additionally, Ms. Jayta presented insights into citizen exchanges, including the Everest International Model United Nations and OneBeat, a program that unites emerging music leaders globally to collaborate on original works and create a civically engaged network of musicians. She noted that applications for these programs typically open between August and September. Other programs discussed included the International Writing Program and sports diplomacy initiatives.

Participants actively engaged by asking questions during the session. The program concluded with a vote of thanks delivered by Prof. Shaon Ray Chaudhuri, who expressed gratitude to the speakers and attendees for their participation and contributions to the session.

Dear Members of the AQAR Sub-committee,

By now you would have received the notification through your sub-committee nodal officers. Welcome to the team. Tripura University is running late in submitting the AQAR for two academic years. We as a group along with the Departmental Coordinator will have to ensure the compilation of the collected data for the year 2021-2022 and 2022-2023. In this regard, to take stock of the situation and to plan the way forward a meeting is convened on 16th August 2023 at 12 Noon at the Council Hall at the Vice Chancellor's Secretariat, Tripura University. You are cordially requested to be present during the meeting.
