

## University SC/ST Cell (Feedback Form)

The rights of students belonging to SC/ST categories are safeguarded by the Scheduled Castes (SC) and Scheduled Tribes (ST) Cell of Tripura University. Grievances related to caste-based discrimination in academic, administrative, or social spheres is monitored and addressed by the Cell.

To strengthen transparency and accountability, student feedback on academic, administrative, and social aspects of campus life is being collected regularly by the University through structured forms, online portals, and interactive sessions. Students are expected to provide honest and constructive feedback to help identify areas of improvement and enhance the overall learning environment.

All feedback will be treated with confidentiality and used solely for institutional development and welfare measures. Members of the University students, faculty and staff are reminded that maintaining an environment free from discrimination is a collective duty. Acts of bias or harassment based on caste, tribe, or gender shall be treated as serious violations of university rules.
