We want to hear the success stories of our alumni and inform them about what's happening here at the University. Tripura University alumni can contribute to the development of Tripura University. Whether as an ambassador, volunteer or donor, they can play an important role in helping the University to achieve its potential and helping the students of tomorrow to reach their goals.

To keep in mind about the above objective all members unanimously resolved to organize a reunion of Tripura University during last week of October, 2015.

TUAA president and secretary are assigned to initiate the same as early as possible.
